MICHAEL DAVITT IS NEAR TO DEATH

DUPLIN, May 28.-At Dublin Hospital today it was reported that the Irish leader, Michael Davitt, was worse. The physicians even hinted that his death was near. There is no doubt that his condition is precarious, although very little information has been given out by those in charge.

During the night Mr. Davitt continued to grow worse and three physicians re-mained constantly at his bedside. The first thing this morning, Mrs. Davitt, after a long talk with the physicians, sent a cablegram to Washington to Mr Davitt's sisters. The contents of the message is not known, but it stated that there was little hope.

Two operations have been performed since Mr. Davitt entered Dublin Hos-pital iwo months ago, suffering from blood poisoning. After the second operation a week ago he seemed to rally and assurances of his ultimate recovery were given his wife and friends. For several days his condition has grown rapidly werse.
